

DAVINCI CAPITAL

INVESTMENT OPPORTUNITIES

DaVinci Capital represents growing businesses seeking capital from a wide variety of individual investors. The amount sought by these companies ranges from \$250,000 to \$5,000,000.

The investments are not public offerings. Individuals investing in a particular company must be accredited investors under the SEC's "Regulation D" guidelines. The terms of investments will be determined by each transaction. This is not an offer to sell any investment.
